

Zo Frampton, Katie Elizabeth
Stubblefield, Danielle Eubank at Launch
LA

***Natural Patterns* opens Saturday, August 9, 6-9pm at Launch LA.** As Los Angeles-based artists, Danielle Eubank, Zo Frampton, and Katie Elizabeth Stubblefield have an immersive view of both nature's most majestic, enduring beauty and the man-made devastation that threatens it. At the same time, they also address the aspects of environmentalism that speak to science and spirit.
